

# Steering Drivers on the Road to Safety

Florida law requires that all first time drivers complete a 4-hour Traffic Law and Substance Abuse course before applying for their learner's permit

SafeDriver.com provides driver education training for new teen drivers and the required 4-hour Traffic Law & Substance Abuse course. Along with this course, we also offer valuable tools like a Parent-Teen Driving Contract, Driver Education Parent Handbook and Teen Driving Log to help new teen drivers become safe drivers. Our goal at the National Safety Commission is to provide driver education through these tools, while also being a resource for organizations and communities. As a new initiative, we've created a new **Revenue Sharing Referral Program**.

Our **SafeDriver.com Referral Program** provides 10% Revenue Sharing as a referral fee to local organizations for every new student referred to our course.

For Assistance and Questions please contact:  
Kelly Barrera, VP of Scheduling Operations
